NOTIFICATION OF ERRORS

Bellevue, Washington 98004

February 28, 2008

TO THE COMMISSIONER FOR PATENTS:

The following errors were found during a review of the above-referenced United States Letters Patent. These errors were either inadvertently made in the original application or occurred in the printing of the patent. Since the errors are of an obvious nature, a formal Certificate of Correction is not believed to be warranted at this time. Therefore, it is requested that this notification be placed in the U.S. Patent and Trademark Office file.

Location in Patent

Error

Column 5, line 19 "Nat" should read --N at--
Column 15, line 35 "enable" should read --enables--

Respectfully submitted,
